10. [] JGO) Met with Mr. Billy Kirby, House Veterans' Affairs Committee staff, concerning the planned travel of the Chairman, Mr. Teague, to Southeast Asia. Mr. Kirby advised that Mr. Teague will be traveling with Mr. William Driver, VA Administrator, and others. From information available to Mr. Kirby it appears that the trip is at the request of the President.

Met later with Mrs. Lil Benedict, Personal Secretary to Chairman Teague, who advised that the details of the trip are being handled at present by Mr. Ted Kimmell, on extensions 2154 or 2813 at VA. After contacting Chairman Teague, Mrs. Benedict also advised that he appreciated my coming by and would like an Agency briefing at a time when he and Mr. Driver could both be present. I will follow up further on this tomorrow.

12. [] JSW) Talked with Mr. Michaels who indicated that Mr. Bow is going to the hospital this coming Monday, and consequently there was no chance we would have any type of budget hearing next week. He did indicate that possibly Mr. Lipscomb, with Michaels in attendance, might like an informal session on 15 May. Michaels will advise further on this.

13. [] JSW) Bill Korn, on behalf of Senator Case, called in respect to the Senator's travel to the Far East. After some discussion it was agreed that our people in Saigon would contact either the Senator or Bill Korn to work out any briefing schedule. As to briefings at any other points, it was suggested that the Senator should take the initiative concerning contact with Agency people by requesting the assistance of the Ambassador. I indicated to Korn we would send out appropriate cables on this.
